RE: ***Application description***

Proposal: Changes to elevations to facilitate conversion of units 1 & 6 into a single dwelling
Location: Brampton Park House 41 North Road Brampton

Following a review of the documents provided to the Highway Authority as part of the above planning application, it was noted that there will be a reduction in one unit which will result in an overall reduction in vehicle movements using the access.

Therefore, no significant adverse effect upon the Public Highway should result from this proposal should it gain benefit of Planning Permission.
