Huntingdon Town Council Planning Comments – 17th June 2025

25/00994/TREE - T3 Sycamore - Fell and replace
143 Sparrowhawk Way Hartford Huntingdon PE29 1XY

Refuse on the basis that the tree appeared to be healthy and the application seemed to be for aesthetic reasons. The Planning Committee would accept an application for a reduction in crown and suggested considering appropriate root treatment.

25/00928/FUL - Proposed change of use of land to residential curtilage including retention of shed (Retrospective)

Approve as the application represented sustainable development.
