HUNTINGDONSHIRE DISTRICT COUNCIL

25/00381/LBC

OFFICER REPORT

Case No: **25/00381/LBC** **Listed Building Consent**

Proposal: **Replacement of roof light.**

Location: **St Ives Town Hall Market Hill St Ives**

Applicant: **St Ives Town Council**

Grid Ref: **531429 271196**

DESCRIPTION OF SITE AND APPLICATION

The application site is occupied by St Ives Town Hall, Market Hill, a Grade II Listed Building which stands within the St Ives Conservation Area.

The application seeks Listed Building Consent for the replacement of a roof light.

Officers have scrutinised the plans and have familiarised themselves with the site and surrounding area.

NATIONAL GUIDANCE

The National Planning Policy Framework (December 2024) (NPPF 2024) sets out the three objectives - economic, social and environmental - of the planning system to contribute to the achievement of sustainable development. The NPPF 2024 at paragraph 10 provides as follows: 'So that sustainable development is pursued in a positive way, at the heart of the Framework is a presumption in favour of sustainable development (paragraph 11). .'

The NPPF 2024 sets out the Government's planning policies for (amongst other things):

* delivering a sufficient supply of homes;
* achieving well-designed places;
* conserving and enhancing the natural environment;
* conserving and enhancing the historic environment.

Planning Practice Guidance and the National Design Guide 2019 are also relevant and material considerations.

CONSENT dated 25.03.2025

CONSULTATIONS

HDC Conservation Team – Support the proposals.

REPRESENTATIONS

None received at the time of determination.

SUMMARY OF ISSUES

The main issues to consider in the determination of this application are:
* Impact on Heritage Assets

The 1990 Act gives local planning authorities a general duty to preserve Listed Buildings and to preserve or enhance the character or appearance of Conservation Areas (s.66 and s.72 Planning (Listed Buildings and Conservation Areas) Act 1990). The National Planning Policy Framework December 2024 states that in determining applications, Local Planning Authorities need to take account of the desirability of sustaining and enhancing the significance of heritage assets (Para 210). The NPPF 2024 also states that great weight should be given to the conservation of a heritage asset (Para 212).

The Planning (Listed buildings and conservation areas) Act 1990 s66 and s72 requires that the determining authority shall have special regard to the desirability of preserving or enhancing the character or appearance of the conservation area and special regard to the preservation of the special architectural and historic interest of a listed building this includes their setting.

St Ives Town Hall is a Grade II Listed Building that sits within the St Ives Conservation Area. The application proposes the replacement a rooflight in the front roofslope. The roof light is modern and has no architectural interest. It is located on the front roof slope of the building but it is hidden by the parapet and therefore not visible from the Conservation Area. The proposed rooflight is a like for like replacement velux. The replacement of the rooflight will not impact the special interest of the Listed Building and would not result in harm to the significance of the grade II listed building or the St Ives Conservation Area.

The proposals have special regard to the preservation of the special architectural and historic interest of the listed building and the proposal therefore accords with ss. 72 of the Planning (LBCA) Act 1990, and also with policy LP 34 of the adopted Huntingdonshire Local Plan. The development is in accordance with the contents of paras 202 -221 of the NPPF 2024.

Conclusion

The proposed works are considered to be compliant with the relevant national and local policy and would not result in unacceptable harm to the Grade II Listed Buildings or the St Ives Conservation Area.

Taking national and local planning policies into account, and having regard for all relevant material considerations, it is recommended that listed building consent be granted, subject to the imposition of appropriate conditions.
