Our Ref: 24/02367/TRCA
Your Ref: Ian Pask

5th June 2025

Dear Mr Pask

Proposal: Tree 1 - Sycamore - 25% crown reduction - approx 2.5m
Trees 2/3 - Yew - trim approximately 2m on girth and height
Tree 4 - Acacia - crown reduction around 2m
Tree 5 - Bay - crown reduction - approximately 2.5m
Tree 6 - Cherry blossom - approximately reduction of 1m

Site address: 5A Talls Lane Fenstanton Huntingdon PE28 9JJ

I have inspected the tree(s) and considered the work you are proposing to carry out as described in your notification received 23rd December 2024.

I confirm it is not the authority's intention to serve the tree(s) with a Tree Preservation Order and therefore you advised that you can now proceed with this work. You have 2 years from the date of your notification to complete the work.

You are reminded this decision relates only to the tree works identified in your notification; any additional tree work will be subject to a further notification and should be submitted prior to any works commencing.

This consent does not convey authority to undertake work on land owned by any other party. You are reminded that the landowner's consent is also required prior to any work being carried out and it is your responsibility to ensure that consent is obtained prior to commencement of works.

INFORMATIVES

1. **Work Standard:** The work should be undertaken in accordance with British Standard 3998:2010 "Recommendations for Tree Work".

2. **Felling:** Where tree felling is intended, replacement tree planting is advised to maintain the canopy cover of the district, improve biodiversity, and lessen the impact of tree removal on climate change.
3. **Trees and Wildlife:** Trees are hosts to nesting birds, many of which are protected by law. Investigations should be carried out for signs of bats (all of which are protected by law) and nesting birds and advice sought from appropriate agencies such as Natural England, the Bat Conservation Trust (BCT) or the Royal Society for the Protection of Birds (RSPB) following any positive sightings. Tree works should be planned carefully to avoid disturbing nesting birds and roosting bats. The disturbance of protected species is an offence and could result in prosecution, a criminal record and a substantial fine.

Yours sincerely

Sarah Cuming
