4 GIMBERS END, STONELY, PE19 5ER (23/01184/LBC)

CONDITION 6

It is proposed to fix shut one of the existing doors when removing an internal partition to create one single shower room as stated on approved Drawing No 2023.19.200 Rev C. The door in question will be fixed shut only by locking with no ironmongery removed or other works proposed. Therefore constructional details and sections should not be required in this instance.

Below are photos of both doors:

Both doors as viewed from Hallway. Left hand door is to be locked.
