A clear reason for refusal identifies the specific reasons why the development is unacceptable and helps the applicant to determine whether and how the proposal can be revised to make it acceptable.

In relation to this application, it was considered and the process managed in accordance with the National Planning Policy Framework 2024.

7. Note to applicant.
Huntingdonshire District Council became a Community Infrastructure Levy (CIL) Charging Authority on 1st May 2012. The Council is obliged to collect the levy from liable parties in instances where development received planning permission on or after 1st May 2012. It is important that liable parties (usually developers or landowners) are correctly identified to the Council as early as possible. For more details on CIL, the developments the charges will apply to, how much the charge will be and the process involved, including the developers or landowners legal responsibilities, the CIL pages on the Council's website at www.huntingdonshire.gov.uk should be referred to. It should be noted that all development which creates one or more dwellings will be liable to be charged irrespective of the floor space charge. However, developments which create less than 100 square metres of new floor space and do not involve a dwelling or dwellings, will be exempt from CIL and will not be charged.

NOTES
