RE: ***Application description***

Proposal: Permission in principle for the erection of 4 to 5 dwellings
Location: Land North East Of High Gables Buckworth Road Alconbury Weston

I note the proposed dwelling which would be highly likely reliant on the motor vehicle in this village location with limited amenities. Any application that comes forward would need to indicate the following to be acceptable in highway terms.

- Access geometry of 5m wide for a minimum of 10m from the road edge
- Vehicle to vehicle visibility in accordance with the speed of the road as this is a 30mph restricted road 2.4m x 43m will be required
- Offsite footway infrastructure proposed adjoining the existing.

The above would be expected as part of the technical detailed submission
