Town and Country Planning Act 1990

Publication of planning applications on planning authority websites

Please note that with the exception of applicant contact details, the information provided on this application form and in supporting documents may be published on the authority's website.

If you have provided any other information as part of your application which falls within the definition of personal data under the Data Protection Act which you do not wish to be published on the authority's website, please contact the authority's planning department.

You must use this form if you are applying for work to trees protected by a tree preservation order (TPO). You may also use it to give notice of works to trees in a conservation area.

It is important that you read the accompanying guidance notes before filling in the form. Without the correct information, your application/notice cannot proceed.

5. What are you applying for?

Are you seeking consent for works to tree(s) subject to a TPO? Yes ☐ No ☒

Are you wishing to carry out works to tree(s) in a conservation area? Yes ☑ No ☐

6. Tree Preservation Order details

If you know which TPO protects the tree(s), enter its title or number below.

N/A

7. Identification of tree(s) and description of works

Please identify the tree(s) and provide a full and clear specification of the works you want to carry out. Continue on a separate sheet if necessary. You might find it useful to contact an arborist (tree surgeon) for help with defining appropriate work. Where trees are protected by a TPO, please number them as shown in the First Schedule to the TPO where this is available. Use the same numbers on your sketch plan (see guidance notes).

Please provide the following information below: tree species (and the number used on the sketch plan) and description of works. Where trees are protected by a TPO you must also provide reasons for the work and, where trees are being felled, please give your proposals for planting replacement trees (including quantity, species, position and size) or reasons for not wanting to replant.
For example: Oak (T3) - fell because of excessive shading and low amenity value. Replant with 1 standard ash in the same place.

Acacia. to reduce by 1/3 of height.
The Bay tree reduce by 1/3rd or possible.
take out due to blocking of light in the garden.

8. Trees – additional information

Additional information may be attached to electronic communications or provided separately in paper format. I have already supplied this by Post.

For all trees

A sketch plan clearly showing the position of trees listed in Question 7 must be provided when applying for works to trees covered by a TPO. A sketch plan is also

of the following. If so, your application must be accompanied by the necessary evidence to support your proposals. (See guidance notes for further details)

Condition of the tree(s) – for example, it is diseased or you have fears that it might break or fall: Yes ☐ No ☑
If yes, you are required to provide written arboricultural advice or other diagnostic information from an appropriate expert.

Alleged damage to property – for example subsidence or damage to drains or drives.
Yes ☐ No ☑

If yes, you are required to provide for:

Subsidence
A report by an engineer or surveyor, to include a description of damage, vegetation, monitoring data, soil, roots and repair proposals. Also a report from an arboriculturist to support the tree work proposals.

Other structural damage (such as drains, walls and hard surfaces)
Written technical evidence from an appropriate expert, including description of damage and possible solutions.

Documents and plans (for any tree)
Are you providing separate information (for example, an additional schedule of work for Question 7)? Yes ☐ No ☐ Already supplied by post.

If yes, please provide the reference numbers of plans, documents, professional reports, photographs etc in support of your application. If they are being provided separately from this form, please detail how they are being submitted.

9. Application for tree works - Checklist

Only one copy of the application form and additional information (Question 8) is required. Please use the guidance and this checklist to make sure that this form has been completed correctly and that all relevant information is submitted. Please note that failure to supply precise and detailed information may result in your application being rejected or delayed. You do not need to fill out this section, but it may help you to submit a valid form.
