Elevations as existing and proposed (1:50 or 1:100 scale) with written dimensions	All applications. Where there is an existing elevation where there will be no proposed works then photos of this elevation are acceptable.	These should accurately show the proposed works in relation to what is already there. All sides of the proposal must be shown with written dimensions and these should indicate where possible the proposed building materials and the style, materials and finish of windows and doors. Where a proposed elevation adjoins another building or is in close proximity the drawings should clearly show the physical relationship between them and detail the positions of openings on each property. Please view for examples of acceptable drawings	Y
Floor Plans as existing and proposed (1:50 or 1:100 scale) with written dimensions	All applications.	The floor plans should show details of the existing building as well as those for the proposed development, with written dimensions. These should show the proposal in detail and where existing buildings or walls are to be demolished these should be clearly identified. All existing and proposed rooms should be labelled.	Y

Planning/Supporting Statement	Lawful and Proposed	A Planning Statement gives an opportunity to explain the proposal and it should identify the context and need for a proposed development and how the proposed development accords with relevant national and local planning policies. It should also include details of any pre-application consultations with the Local Planning Authority, wider community/statutory consultees and neighbours undertaken prior to submission. The statement should also identify and consider the possible detrimental impact of any proposal upon existing infrastructure and detail any improvements that are required	N/A
Photographs	Lawful and Proposed	Can be helpful to demonstrate the claimed lawful use, operation or activity	Y
Site Sections as existing and proposed and finished floor and site levels (1:50 or 1:100 scale) with written dimensions	Where there is (or proposes to be) a difference in ground levels across the site and/or with adjoining land Or Where the development is within 300mm of the site boundary	Cross sections through the building should be shown particularly where common boundaries are involved and with written dimensions. In all cases where the proposal involves a change in ground levels a plan should be submitted to show both existing and proposed levels including detail of how encroachment of foundations and eaves is to be avoided.
