---

please find block plan drawings and FRA sheet attached.

in addition to the Flood risk assessment form attached we propose the following measures to be taken to minimise flood damage:

1.Provision of an in-situ concrete floor slab
2.Electrical wiring at 1 metre height
3. horizontal plaster boarding.

Please validate

Kind regards

Opting out of email correspondence

We are continually striving to improve the service we deliver to our customers. As part of this we are now contacting our customers by email where possible in an effort to provide a faster, more efficient service.

If you would prefer not to receive correspondence from us via email you have the right to

opt out. If you wish to opt out please contact us at the address provided below so that we can remove your email details from our records.

Keeping safe on the internet

You should never open a file attached to an email when you do not trust the sender's authenticity.

We will only contact you via email when you have already contacted us in relation to this specific application (or one directly related to it) and provided your email address as a contact - we will not transfer your contact details between unrelated applications.

If you have any doubts or concerns relating to this email please contact us directly, our contact details are provided below.
