RE: ***Application description***

Proposal: Two storey side extension and demolition of existing garage

Location: 4 Salters Way Sawtry Huntingdon PE28 5PF

Following the provision of drawing 002 I note that cars are able to stand clear of the highway the planning application gives no indication of the existing and the proposed level of parking this will need to be assessed by the LPA.

Following a review of the documents provided to the Highway Authority as part of the above planning application, the effect of the proposed development upon the Public Highway should be mitigated if the following conditions form part of any permission that the Planning Authority is minded to issue in regard to this proposal:

HDMC 10 Notwithstanding the provision of Class A of Schedule 2, Part 2 of the Town and Country Planning (General Permitted Development) Order 1995, (or any order revoking, amending or re-enacting that order) no gates shall be erected across the approved access unless details have first been submitted to and approved in writing by the Local Planning Authority.

Reason: In the interests of highway safety.

HDMC 14 Prior to the commencement of the first use the vehicular access where it crosses the public highway shall be laid out and constructed in accordance with the Cambridgeshire County Council construction specification.

Reason: In the interests of highway safety and to ensure satisfactory access into the site.

HDMC 17 Prior to the first occupation of the development the proposed on-site parking area shall be laid out, demarcated, levelled, surfaced and drained in accordance with the approved plan and thereafter retained for that specific use.

Reason: To ensure the permanent availability of the parking / manoeuvring area, in the interests of highway safety.

HDMC 26 The access shall be constructed with adequate drainage measures to prevent surface water run-off onto the adjacent public highway, in accordance with a scheme submitted to and approved in writing by the Local Planning Authority.

Reason: To prevent surface water discharging to the highway

HDMC 28 A metalled surface shall be provided for a minimum distance of 5m along the access road from its junction with the public highway.

Reason: To prevent mud and extraneous material being deposited on the highway.

INFORMATIVES

Vehicular Access

HDMI 1 This development involves work to the public highway that will require the approval of the County Council as Highway Authority. It is an OFFENCE to carry out any works within the public highway, which includes a public right of way, without the permission of the Highway Authority. Please note that it is the applicants responsibility to ensure that, in addition to planning permission, any necessary consents or approvals under the Highways Act 1980 and the New Roads and Street Works Act 1991 are also obtained from the County Council.

Public Utility apparatus may be affected by this proposal. Contact the appropriate utility service to reach agreement on any necessary alterations, the cost of which must be borne by the applicant.

The applicant should note that the nature of the highway works proposed will necessitate the completion of a Section 184 Highway Works Agreement between the developer and the LHA prior to commencement. Dropped kerbs and access protection markings - Cambridgeshire County Council
