RE: ***Application description***

Proposal: Discharge of conditions 3 (Materials), 4 (Architectural Details), 5 (Landscaping), 6 (Landscape Management), 7 (Tree Protection Plan), 8 (PEA and Ecological Design Strategy), 9 (Foul and Surface Water), 15 (Traffic Management Plan), 16 (Cycle Store), 17 (Bin Store) and 18(Archaeology)- Paritial Discharge of 25/00393/S73

Location: Agricultural Buildings Washingley Farm Green End Great Stukeley.

Following the updated traffic management plan indicating the ongoing method of keeping the highway free of debris throughout the construction process and the plan including the on-site parking material storage and cleaning station. Given this I would have no objection to the eventual discharge of condition 15 in relation to the highway element alone.
