Importance: High

Good Afternoon

At its recent meeting, Hemingford Grey Parish Council resolved to respond as below. Comments were not allowed on the planning portal website.

Hemingford Grey Parish Council notes neither of the trees are on the property of the applicant and it is not aware if the tree owners have been consulted.
The Beech tree obscures the price sign which is not sufficient reason to carry out the work.
The Lime tree is not causing any obstruction to the highway.

Kind Regards
