Comments Details

Commenter Type:	Town or Parish Council
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Council are in favour of this application, the streetscene is not affected and it doesn't impede on the neighbouring property. Council's main concerns is essentially the lack of overall infrastructure to support the accumulation of applications within the surrounding villages: Sewage and flooding issues, lack of school places locally, shortage of a doctor and dental surgery capacity etc.

Kind regards
