**Our Ref :** 25/00544/PIP

8th April 2025

Dear Clerk

**PARISH COUNCIL CONSULTATION – APPLICATION REF. 25/00544/PIP**
**Permission in Principle for up to 3 dwellings**
**Land North East Of Gloucester Barn Fen Road Pidley**

Enclosed is the form relating to the above application.

I would be grateful to receive any views your Council would wish to make in respect of the proposed development. Any representations made should be representations of the Parish Council as such and not of individuals and should include material planning reasons for any recommendation of approval or refusal.

Residential neighbours abutting the site will be notified of its submission and invited to make comments. I will suggest to them that they may wish to let you have a copy of their comments but would remind you that it is inappropriate to delay your recommendation for this.

**Important – Material Planning Considerations -Please Note** :

The scope of permission in principle is limited to location, land use and amount of development only. Only issues relevant to these 'in principle' matters can be considered at the permission in principle stage. The legislation is clear that issues such as detailed design, impact on residential amenity and detailed layout should be considered at the technical details consent stage (which must follow permission in principle – if successfully obtained). LPA Planning Officers cannot therefore take into account any other matters raised by third parties that are not relevant to the location, land use and amount of development proposed. For more information on Permission in Principle and specifically the matters that an LPA can and cannot take into account as part of the assessment of a Permission In Principle application, please see this link: https://www.gov.uk/guidance/permission-in-principle

I should be pleased to receive your Council's views as soon as possible or in any case by 24th April 2025

Cont……..

The application including documents and plans, is also available to view from Huntingdonshire District Council's Web site at http://publicaccess.huntingdonshire.gov.uk/online-applications/ It is also possible to submit any comments you care to make direct from this site to this office. Alternatively, you may submit comments by post, email or fax. The quickest way to submit comments is by e-mail to developmentcontrol@huntingdonshire.gov.uk.

If you wish to discuss this matter further, please contact the team at development.control@huntingdonshire.gov.uk .

Yours faithfully
Clara Kerr
