App Reference: 25/00241/HHFUL Date In: 12/2/25 Date Out: 07/03/25	**Contact**: Robin Hobbs

Proposal: Repair/replace a road frontage low brick wall with access steps to the above property
Location: Goodyers Farm Holywell Front Holywell St Ives PE27 4TG

Regarding this application whilst I note within the design and access statement it indicates that the wall and steps are not changing from their current design. The red line plan submitted does appear to include elements of adopted highway which should not be constructed on. I would recommend that the applicant contact our searches team to ascertain the exact Highway Boundary they may be contacted on the following email address searches@cambridgeshire.gov.uk
Provided that the adopted highway is not encroached upon and there is no change from that which exists at present I would have no observations.
