Discharge of Conditions - Please provide a full description and/or list of the materials/details that are being submitted for approval

Previous Answers:

No development, demolition, clearance or preparatory operations (including excavations and archaeology), hereafter referred to as "the works", shall commence on site in connection with the development hereby approved, until a Tree Protection Plan has been submitted to, and approved in writing by the Local Planning Authority. The approved Tree Protection Plan shall be implemented before any equipment, machinery, or materials are brought on to the site in connection with the works, be retained intact for the duration of the construction works and only be removed or altered with the prior written approval of the Local Planning Authority.

Updated Answers:

No development, demolition, clearance or preparatory operations (including excavations and archaeology), hereafter referred to as "the works", shall commence on site in connection with the development hereby approved, until a Tree Protection Plan has been submitted to, and approved in writing by the Local Planning Authority. The approved Tree Protection Plan shall be implemented before any equipment, machinery, or materials are brought on to the site in connection with the works, be retained intact for the duration of the construction works and only be removed or altered with the prior written approval of the Local Planning Authority.

No development, demolition, clearance or preparatory operations (including excavations and archaeology) shall commence on site in connection with the development hereby approved until an Arboricultural Method Statement has been submitted to, and approved in writing by the Local Planning Authority. The development shall thereafter be undertaken in accordance with the approved Statement.
