[✓] Recommend **approval** because .....(please give relevant planning reasons in space below)
This application was discussed at length by the committee and after a vote the application was approved by a majority of four to one in favour of approval. There were recommendations of Velux windows in the front rather than the proposed dormer. Also the small side window should have opaque glass to increase privacy.

[ ] Recommend ~~**refusal** because...(please give relevant planning reasons in space below)~~

[ ] No observations either in favour or against the proposal
