**RE:** ***Application description***

**Proposal:** Conversion of existing agricultural barn to a dwelling
**Location**: Land Adjacent 21 Mill Road Great Gidding

Following a review of the documents provided to the Highway Authority as part of the above planning application, it was noted that the site has an existing vehicular access which is located adjacent to the 30mph/40mph terminal signs and has approx. 150m vehicular visibility to the south east.

Therefore, no significant adverse effect upon the Public Highway should result from this proposal should it gain benefit of Planning Permission.

Jo Challis
Highways Development Management Engineer
