Dear Sirs

Thank you for your email of 6 February, which was discussed at our last meeting on 27 February.

Firstly, Councillor Seabrook has informed the parish council that this telephone box is listed. The relevant number is 735A.

The Parish Council do not agree that the telephone box should be removed rather that it be used to house a defibrillator, as in other parishes.

They propose that the internal apparatus be removed by BT but that the power supply is retained so that a defibrillator can be installed.

We cannot find any information on the planning portal of who to contact at BT so we can put this proposal forward. Please can you provide us with contact details.

Yours faithfully,

Jo Russel
Clerk
Kimbolton and Stonely PC
