Address:	21 Euston Street Huntingdon

Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this application on the basis of lack of parking. 1. Although you have done a site visit, this needs to be done not during working hours (as guess what, people drive to work and therefore gives a false impression during the day) but after 6pm to see the true picture.so you can see the true problems This should also include viewing the public car park in Ingram Street also so you can see the full picture). Doing the site visit during working hours is utterly pointless. 2, You also need to consider the recent changes made this year by HDC (not County) to the residents parking permit scheme which has made the situation worse and granting this application will add to this making it untenable for existing residents. [redacted]

Kind regards
