Huntingdonshire District Council in pursuance of powers under the above Act, hereby **REFUSE TO PERMIT** for:

Proposal: Erection of three-bedroom bungalow with garage & associated works (inc new planting and creation of off-street parking & turning to both existing and proposed properties)

Site address: Land Rear Of 34 To 38 Ackerman Street Eaton Socon

Applicant: AWJ Usher & Sons Ltd

in accordance with your application received on 24th April 2025 and plans (listed below) which form part of the application

Plan Type	Reference	Version	Date Received
Location Plan	Location		24.04.2025
Floor plans and Elevations	JLG1002/NB/02		24.05.2025
Floor plans and Elevations	JLG1002/NB/01		24.05.2025

1. Reason.
   The site is an area of undeveloped open land to the rear of and associated with the Grade II Listed Building, 36 Ackerman Street and sits within the St Neots Conservation Area. As an area of open land, the application site contributes to the setting of the Listed Building at 36 Ackerman Street as an element which allows space around the Listed Building for it to be seen and also seen within the group of historic buildings. The application site also provides a buffer which creates a physical separation between the historic group of buildings containing the Listed

Building and the modern housing estate to the south and east. By virtue of the scale, design and siting of the proposed dwelling, the proposed development is considered harmful to the significance of the adjacent Listed Building and harmful to the significance of the Conservation Area. The proposal is not considered to preserve the Conservation Area's character or appearance as it does not maintain the historic grouping of buildings along Ackerman Street nor the grain, scale or character of the historic agricultural settlement. Given the nature of the proposed development, any public benefits are considered to be negligible and would not outweigh the identified harm in this instance. As such, the proposal is considered to be contrary to Sections 66 and 72 of the Planning (Listed Buildings and Conservation Areas) Act 1990, Policies LP11, LP12 and LP34 of Huntingdonshire's Local Plan to 2036, Policy A3 of the St Neots Neighbourhood Plan, the Huntingdonshire Design Guide Supplementary Planning Document, and Section 12 and 16 of the National Planning Policy Framework (2024).

2. Reason.
   The proposed development by virtue of the siting, scale and massing of the proposed dwelling, and close proximity to the small private rear amenity spaces of Nos. 34 and 36 Ackerman Street, would result in overbearing, overshadowing and loss of light impacts to the detriment of the residential amenity of occupiers of No.'s 34 and 36 Ackerman Street. The proposal is therefore considered contrary to Policy LP14 of the Huntingdonshire Local Plan to 2036, the Huntingdonshire Design Guide SPD and Section 12 of the National Planning Policy Framework (2023).

3. Note to applicant.
   Statement as to how the Local Planning Authority (LPA) has worked with the applicant in a positive and proactive manner on seeking solutions:

   When an application is received, planning conditions will be used where they can make a development acceptable.

   A clear reason for refusal identifies the specific reasons why the development is unacceptable and helps the applicant to determine whether and how the proposal can be revised to make it acceptable.

   In relation to this application, it was considered and the process managed in accordance with the National Planning Policy Framework 2024.

4. Note to applicant.
   Huntingdonshire District Council became a Community Infrastructure Levy (CIL) Charging Authority on 1st May 2012. The Council is obliged to collect the levy from liable parties in instances where development received planning permission on or after 1st May 2012. It is important that liable parties (usually developers or landowners) are correctly identified to the Council as early as possible. For more details on CIL, the developments the charges will apply

to, how much the charge will be and the process involved, including the developers or landowners legal responsibilities, the CIL pages on the Council's website at www.huntingdonshire.gov.uk should be referred to. It should be noted that all development which creates one or more dwellings will be liable to be charged irrespective of the floor space charge. However, developments which create less than 100 square metres of new floor space and do not involve a dwelling or dwellings, will be exempt from CIL and will not be charged.

NOTES

Rights of Appeal under the Town and Country Planning Act, 1990 Section 78

If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission for the proposed development or to grant permission subject to conditions, he/she may appeal to the Secretary of State responsible for planning within;

- **Six months from the date of this decision notice.**

Appeals must be made on a form which is obtainable from the Planning Inspectorate, Customer Support Unit, Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN. Alternatively all forms can be downloaded from their website www.planning-inspectorate.gov.uk. The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances, which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the Local Planning Authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the Development Orders and to any directions given under the Orders. He does not, in practice, refuse to entertain appeals solely because the decision of the Local Planning Authority was based on a direction given by him.

If permission to develop land is refused or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State responsible for planning and the owner of the land claims that the land has become incapable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County District in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with the provision of Part VI of the Town and Country Planning Act, 1990.

Claiming Compensation

In certain circumstances, a claim may be made against the Local Planning Authority for compensation where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of an application to him. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.

General Notes

This decision notice does not convey any approval or consent which may be required under any enactment, bye-law or regulation other than Section 57 of the Town and Country Planning Act 1990.
