Good morning,

Our reference: CPDT/647/2024

Your reference: 24/80370/COND

Proposal: Discharge of Condition 28 (Framework Parking Management Plan/ANPR) for 20/02613/FUL

Location: Land East And West Of Edison Bell Way Huntingdon

Thank you for the opportunity to comment on this application. I have viewed the documents in relation to crime, disorder, and the fear of crime. I have carried out an updated search of the Constabulary crime and incident systems covering the **Huntingdon North Ward** for the last 2 years, I would consider the proposed location to be an area of low to medium risk to the vulnerability to crime based on the figures below.

I note that the ANPR cameras are being installed to ensure that parking is controlled on the private estate. Cameras will be mounted on the existing lighting columns; these will need to comply with Data Protection Act (DPA 2018) and are registered with the Information Commissioners Office. How will the data be managed, stored, and monitored moving forward?

If you require any further assistance, please do not hesitate to contact me.
