Application: Erection of Two Replacement Barns (requiring demolition of existing)
Location: Agricultural Buildings Great Parlow Close Graveley Road Offord Darcy

I note that this is the replacement of two agricultural buildings with the replacement of the same with only a minimal increase in square meterage of 46 sqm. Whilst no traffic movements have been submitted in relation to that proposed it is not unreasonable to assume that they would be similar to the existing building, given they are for the same use.

Following a review of the documents provided to the Highway Authority as part of the above planning application, no significant adverse effect upon the Public Highway should result from this proposal, should it gain benefit of Planning Permission.
