25/80073/COND| Discharge of Condition 4 (Archaeology) for 24/00228/HHFUL|17 School Lane Eaton Socon St Neots PE19 8GW

Dear Amanda,

The fieldwork for the above referenced site has now been completed, recording little of archaeological interest. However a record has been made of deposit levels which helps us with a general understanding of survival within the area and should help to inform any future work if necessary. We have reviewed and approved v.1.2 of the report dated 14th April 2026 and the applicant should submit this but we would support discharge of the archaeological condition 4 in full at this stage.

Kind regards
Lu
