5 Day Notice of Intended Tree Works

28 Station Lane Offord Cluny PE19 5RU (8630/J421 Henderson)

Identification of Trees and proposed work:

T1 Willow (approx 16 metres height): fell to ground level
The tree is approximately 70% hollow, and stands next to a public footpath and the railway line. One of the main roots on the southern side is 100% decayed. There is a split on the southern side which opens up as the tree moves under normal wind conditions

G1 Remove 2x Elder, to allow access for MEWP
