Ref: Bin Collection/Organisation for new development at Harbins Lane, Abbotsley for Construct Reason Limited Planning Ref: 23/01024/FUL

With regard to the Planning Permission for 2 No: bungalows at the above, condition number10 requires us to submit a scheme to the Planning Authority for the arrangement of waste collection.

It also suggests that we seek advice from the Operations Department prior to submission.

I attach for your perusal, a copy of the site layout drawing on which I have marked the location of the bin storage areas for each property and our suggestion for bin placement by the occupiers on bin collection day for emptying.
I also attach a copy of the Site Location Plan.

I look forward to hearing from you shortly.

Kind regards,

Graham Bloys
Head of Planning
