RE: ***Application description***
Proposal: Display of 1No. Internally illuminated fascia sign and 1No. Internally illuminated projecting sign

Site address: 121 High Street Huntingdon PE29 3LG

Following a review of the documents provided to the Highway Authority as part of the above planning application I have noted that this is for a like for like replacement of existing WH Smiths signage into TGJones. The existing signs are all at least 2.3m above the footway.

The Local Highway Authority raises no objections to the proposed development.
