Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	We have lived in the village [redacted] and this property has been an eyesore since we have lived here. The hedging is overgrown and unsightly. The current position of the garage, gates and drive makes it hazardous for both vehicles on the high street, as well as the owners trying to get in and out of their drive safely. I was a member of the [redacted] and people often commented on the state of the boundary. I would therefore fully support all aspects of this application.

Kind regards
